T A K E T I M E

Our mission is to make people take time for themselves. Why?
Every day we see people prioritising the time of others. Taking care of others,
connecting to others, fulfilling the needs of others, being there for others...
but what about you?

We want to urge you to take time for yourself; time to dream for yourself,
to care for yourself, just be with yourself. Do you know who you are? Do you know
what you need? Do you remember your dreams? Did you have a hobby? Did you
like to read? Walk by the sea, wander in the woods, watch the sky? Dream and
get surprised by your own thoughts?

When was the last time you were truly with yourself or with
the ones important to you?
